Serious Sam HD: The Second Encounter full PC. Serious Sam HD: The Second Encounter - Full PC Game Review -. Serious Sam HD: The Second Encounter is the. The details here are.Q: How to implement Quiz app with Java and a SQLite database? I want to make quiz app. The problem is that I don't know how to choose question from the database. I have six questions(three in each folder) and there is no problem with implementation. The problem is after choosing question, then the answer doesn't save in the SQLite database. This is my code: Problem here: if (st.moveToFirst()) { int userId = st.getInt(0); String username = st.getString(1); String answer = st.getString(2); int score = st.getInt(4); user.setUsername(username); user.setScore(score); user.setQuestion(answer); user.setUserId(userId); And this is my database: public class DBAdapter { private static final String DATABASE_NAME = "DbTestProject.db"; private static final String TABLE_NAME = "Table1"; private static final int DATABASE_VERSION = 1; public static final String KEY_ROWID = "_id"; private static final String KEY_USERNAME = "username"; private static final String KEY_SCORE = "score"; private static final String KEY_ANSWER = "answer"; private DBHelper ourHelper; private final Context ourContext
