**Elden Ring [32|64bit]**

The new fantasy action RPG designed in cooperation with VanillaWare, the developer of SIN – Bloody Sin and Hand of Fate, and developed by Fantasy-Craft Inc., the developer of the Girls Dead Monster: Half-Breed series. The game is a co-op experience where players team up to defeat the numerous enemies in a variety of different ways: play online with strangers or create your own unique party, complete challenging combat sequences using an intuitive and highly responsive combat system, and enjoy a story that is rich with charm. It is the year 2074. The popular fantasy-themed online RPG game, namely “RoRynde” (RuRynde), is now shut down, and there are extremely few players left. The lands of “RuRynde” have now reached an age of isolation, causing monsters and bandits to thrive. In a time of peace and prosperity, people once again began to take up arms in the name of honor and glory to defend the lands. A military officer by the name of Tarnish, who lost his wife and daughter in the “RoRynde” events, is watching over all of these developments with utmost concern. One day, as he played an MMORPG at home, he got into a grotesque accident after falling into the toilet. One of the monsters inhabiting the game transferred its body into his body and a demonic spirit was born inside of him. After several years, his self-sacrifice leads him to be reborn and now in search of a “Lands Between” (Ogio no Honoo) that is said to lead to a new “RoRynde.” The only one who can help him with this quest is his classmate, Ciel. The world is plunging into a crisis. People can no longer play this game. What can you do to revive “RoRynde” once again? Companions and the Elden Ring Rising from the Abyss: Battle Alone with Summoned Ghosts Battle Alone with Summoned Ghosts (BAWGS) is a new dungeon-crawling RPG created specifically for solo players by Fantasy-Craft Inc. The game allows you to battle endless waves of enemy ghosts alone in randomly-generated

---

dungeons. Armed with a variety of weapons, armor, and magic, increase your power as you battle enemies. •

### **What's new:**

#### **-Online Play (Subsystem: Celes/Media/Roegadyn)**
